### GARBAGE COLLECTION TIMES AND INFORMATION

Due to the weather, amount of trash or fire dept. calls which our Public Works Dept. employees are required to answer, trash pickup will begin at 7:30am and end when all the trash for that scheduled day is picked up. **There are no set times through out the day your trash will be picked up.** Please have your trash out by the curb by 7:30am on the day of your scheduled pickup day.

**Trash cans larger than 33 gallons will not be picked up and dumped due to the weight, therefore trash in bigger cans must be in bags to be picked up.**

### LARGE ITEM PICKUP

Large item pickup is on the third Thursday of each month. It consists of garbage too large to be put in our garbage trucks, such as furniture, appliances and large metal. Please put your large items out with your regular garbage the week of pickup as some items may be picked up with your regular garbage.

### THE FOLLOWING ITEMS WILL NOT BE PICKED UP

1. Tires – They can be taken to the Carters Valley convenience center across from the Carters Valley Elementary School – free of charge for Hawkins Co. residents.
2. Paint, oil, antifreeze and other chemicals.
3. Propane or Freon tanks.
4. Materials from contractor jobs. **( must be hauled off by the contractor).**
